

SPONSOR WANTED

SPONSOR WANTED

The Islands Blackball Association have just completed their 2nd extremely successful International Championships and, with new island nations seeking to join, are moving in line with their tracked growth programme to become THE premiere annual event for islands and small nations in the world of blackball pool.

The cost of running the event, trophies, accommodation and travel is currently met in its entirety by our players. To ensure that this event is affordable to all members, we are seeking sponsorship, ideally on a 3-5 year basis.

If you are a sponsor looking for a project, this is one of the best you will find. Whilst still in its infancy, the Association is going from strength to strength with good professional standards and corporate governance processes already in place. If you want to support a sound and growing body that will ultimately be recognised throughout the world, please contact the IBA president at sandra.pearson@shetland.gov.uk in the first instance.
