

NEW ISLAND NATION WELCOMED

On behalf of the IBA, I would formally like to welcome TENERIFE to the IBA family. We are delighted to have them on board and can't wait to meet them all in person at next's years event, to be held on 22-25 October 2009. In the next few days we will have a News section on the site for Tenerife and I know we're all looking forward to reading about what's happening there and chatting with them online. Welcome to the IBA community, Tenerife.

Sandra Pearson
IBA President
